Sparks in The Paradise

Dear Students, Teachers and Parents

June arrives as a month of fresh beginnings, a time when the warmth of summer meets the quiet promise of growth. At our school, June sparkles with a double purpose, honouring Environmental Month and celebrating the growth of leadership as we entrust our young stewards with responsibility during the Investiture Ceremony.

This month reminds us that growth is both natural and nurtured. In classrooms and playgrounds, seeds of curiosity take root as students engage in tree-planting drives and waste reduction projects. These small actions teach an important lesson that sustainability is not a single act but a daily choice. As learners tend to saplings and monitor biodiversity in our campus gardens, they learn patience, accountability and the ripple effect of mindful choices.

Paralleling this environmental stewardship is the flowering of student leadership. Our Investiture Ceremony marks more than titles, it marks a commitment. As badges are pinned and responsibilities are accepted, young leaders step forward to embody service, teamwork and vision. They will champion eco-initiatives, encourage responsible habits among their peers and develop resilience when challenges arise.

The intersection of environmental care and leadership training creates a powerful classroom for character building. Students discover that caring for the planet requires the same skills that make an effective leader: empathy, planning, communication and perseverance. As mentors, teachers and parents, our role is to guide and celebrate them by offering feedback, setting examples and providing opportunities to lead meaningful projects.

This June, let “The Spark” be both our motto and our mission: kindle curiosity, nurture responsibility and watch our young leaders grow into guardians of our environment and community. Together, we will cultivate a greener campus and a generation ready to lead with wisdom and heart.

Rajkumar Singnal

Sparks in The Paradise

Milestones of Academic Excellence

The transition through Grade IX and X marks one of the most critical phases in a student's academic journey. At The Paradise Academy, these two years represent the bridge between foundational learning and high-stakes board preparations. To ensure our students build resilience, master complex concepts and achieve their highest potential, our structured Monthly Test System serves as a core blueprint for academic success. The monthly test commenced on 1st June, 2026

Rather than treating assessments as a source of stress, The Paradise Academy utilizes monthly testing as a strategic tool to foster consistent habits, reduce exam anxiety and carve out a clear pathway toward academic excellence.

At The Paradise Academy, we believe that excellence is not an act, but a habit. The Grade IX and X monthly tests are designed to be springboards, not hurdles. By breaking down massive academic mountains into small, conquerable hills, we empower our students to take control of their learning, celebrate steady growth and step confidently into their futures.

A Promising Start to a New Academic Journey

On 4 June 2026, our school conducted the Kindergarten Orientation Programme to warmly welcome parents and introduce them to the school's vision, teaching approach and learning environment. Parents were familiarised with the curriculum, school policies and daily routines through an informative presentation and a kindergarten demo session.

The programme also marked the first day of school for our young learners, who stepped into their classrooms with excitement and curiosity. The Vice Principal, Principal and Managing Director addressed the gathering, emphasising the importance of a strong partnership between home and school. The orientation concluded with a vote of thanks, setting the stage for a joyful and successful academic year ahead.

Sparks in The Paradise

Our Little Eco Warriors

On 5 June 2026, our Kindergarten students celebrated Green Day in observance of World Environment Day. The little learners enthusiastically participated in engaging group activities that highlighted the importance of caring for our environment. The celebration was graced by the visit of our Secretary Ma'am, who appreciated the initiative and the thoughtfully planned activities. Beautiful takeaways were sent home, making the day both meaningful and memorable.

Sparks in The Paradise

Healing the Planet

The Paradise Academy enthusiastically celebrated World Environment Day on 5 June 2026 with the aim of creating awareness about environmental conservation and inspiring students to become responsible stewards of nature..

Students highlighted the Significance of World Environment Day and shared an inspiring Thought on Environment, encouraging everyone to adopt eco-friendly practices. A Pledge to Protect Nature reinforced the commitment of students and staff to safeguard the environment.

The celebration continued with a thought-provoking skit on environmental awareness. Our Vice Principal and Principal addressed the gathering, motivating students to make sustainable choices and contribute towards building a cleaner, greener future.

As a meaningful extension of the celebration, students from Grades V to VIII enthusiastically participated in a Plantation Drive, nurturing saplings within the school campus. This was followed by an Awareness Rally, during which they spread the message of environmental protection and encouraged the community to adopt sustainable practices for a greener future.

The celebration served as a powerful reminder that every small action counts and that together, we can create a sustainable future for generations to come.

Sparks in The Paradise

The Pillars of Leadership

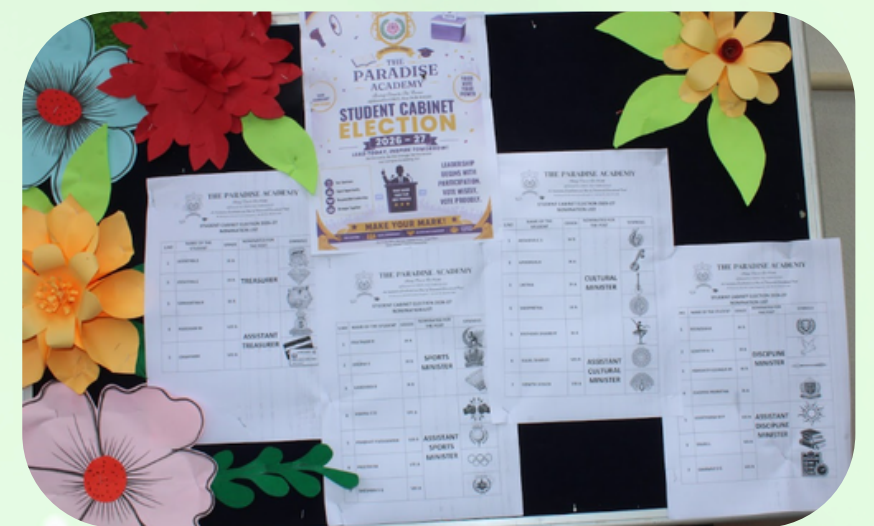

Student leadership is a vital component at The Paradise Academy. Each year, the campus comes alive with democratic energy during the Student Cabinet Elections. The Cabinet Election was conducted on 11 June 2026. This annual event is a rigorous, practical exercise in civics, responsibility and leadership that empowers the student body to shape their own school environment.

Aspiring student leaders from the senior classes submit their candidacies. Faculty panels review their academic standing, disciplinary records and prior contributions to school life to ensure nominees represent the School's core values. Once approved, candidates launch vibrant campaigns. From creative posters lining the hallways to formal speeches delivered during morning assemblies, candidates articulated their visions, propose policy improvements and field questions from their peers.

On election day, the Management, Teachers and the students from Grades IV-X cast secret ballots. This ensures a transparent, fair process where every individual voice matters.

By organizing campus events, spearheading community service initiatives and advocating for student concerns, the elected leaders learn the complexities of representation and teamwork. Ultimately, Cabinet Elections at The Paradise Academy do not merely select student representatives for a single academic year; they cultivate the articulate, empathetic and accountable leaders of tomorrow

Fuelling Ambitions

For high school students aspiring to enter the fields of engineering and medicine, the competitive examinations IIT-JEE and NEET are critical milestones. On 13 June 2026, The Paradise Academy conducted its annual IIT-JEE and NEET Orientation Programme for aspiring students and their parents, laying a strong foundation for future success.

The Academy recognises that clearing these rigorous national-level examinations requires more than academic talent—it also demands a strategic early start, psychological readiness and a well-structured approach. The orientation provided valuable insights into effective preparation strategies, examination patterns and the disciplined study habits needed to excel.

A key focus of the programme was the collaborative role of parents in a student's journey. Parents were guided on creating a supportive, distraction-free and emotionally nurturing environment at home, helping transform the preparation process into an enriching and rewarding experience.

Through this orientation, The Paradise Academy equipped its students with a clear roadmap, inspiring confidence and transforming their career aspirations into achievable goals.

Sparks in The Paradise

Empowering students through School Clubs

The Paradise Academy successfully organised the Club Orientation Programme on 15 June 2026 with the aim of encouraging students to actively participate in various school clubs. Students were introduced to a diverse spectrum of clubs tailored to various talents and interests, namely Euphony, Fitora, Snapcafe, Spotique, Scimathica, Elysium, Inquizit, Forge-Titans, Aranya and Mediamaterz.

Clubs play a vital role in the holistic development of students. They provide opportunities to explore talents, develop leadership and communication skills, encourage creativity, foster teamwork, build confidence, discover hidden potential, promote responsibility and prepare students for future challenges. During the programme, the club in-charges and members enthusiastically showcased the purpose, activities and benefits of each club through engaging presentations and live demonstrations. Their creative performances highlighted how every club offers a unique platform for students to learn, lead, innovate and excel beyond the classroom. The orientation inspired students to discover their interests and motivated them to become active members of the clubs, making learning more meaningful, enjoyable and enriching.

A Joyous Birthday Tribute

The Paradise Academy celebrated the birthday of our beloved Secretary Mrs. Lakshmi Devi, on 16 June 2026 with great joy and warmth during the Special Assembly. The celebration began with a delightful welcome by our tiny tots of kindergarten, whose cheerful smiles and innocent gestures filled the atmosphere with happiness.

The assembly continued with the Thought for the Day, News Headlines and Amazing Facts, presented confidently by our Paradines. The occasion became even more special as our respected Vice Principal Mrs Chinmayee Swain and Principal Mr. Rajkumar Singnal extended their heartfelt birthday wishes, expressing gratitude for Secretary Ma'am's inspiring leadership, guidance and unwavering support towards the growth of the school.

The celebration concluded with heartfelt wishes from the entire Paradise family, making the day a memorable and joyous occasion for everyone.

Sparks in The Paradise

Kindergarten Yoga Day

On Friday, 19 June 2026, our Kindergarten students celebrated International Yoga Day with great enthusiasm and excitement. The young learners actively participated in a variety of simple yoga postures, breathing exercises and mindfulness activities under the guidance of their teachers.

The session aimed to introduce children to the benefits of yoga and encourage healthy habits from an early age. Through their cheerful participation and positive energy, the children learned the importance of physical fitness, concentration and inner calm.

The celebration was a joyful and enriching experience, inspiring our little learners to embrace a healthy and balanced lifestyle.

Sparks in The Paradise

Harmony of Mind and Melody

At The Paradise Academy, 20 June 2026 is marked as one of the most vibrant and uplifting days on the school calendar. By combining International Yoga Day and World Music Day into a unified celebration, the academy fosters an environment where physical well-being and creative expression go hand in hand.

The Paradise Academy school ground witnessed a vibrant celebration of World Music Day, filled with melodious performances. The celebration featured soulful performances by our Secretary, Mrs. Lakshmi Devi; Principal, Mr. Rajkumar Singhal; teachers Mr. Keshavamurthy and Mrs. Sheeba, who captivated the audience with their musical talent. The event also included an energetic rock band performance by a group of students, which enthralled the audience and added excitement to the celebration. Our Music Teacher, Mr. Giftson, enthusiastically guided all the students gathered on the school ground in a mass singing session, creating a beautiful atmosphere of unity and harmony. A special solo performance by Benjamin of Grade IX added charm to the celebration and was warmly appreciated by everyone present. The event truly highlighted the power of music in bringing people together, inspiring creativity, and spreading joy.

Students gather with their mats to practice deep breathing (pranayama) and various yoga postures (asanas). Led by PE Teachers, the session focuses on improving flexibility, reducing student stress and building mental focus. The collective energy of hundreds of students moving in perfect unison creates a profound sense of peace and community across the campus. This dual celebration reminds the school community that true education balances a healthy body, a focused mind and a joyful spirit.

Sparks in The Paradise

Leadership and Passion

On 22 June 2026, Leadership and personal passion came together in a brilliant display of student potential at The Paradise Academy's joint Investiture Ceremony and Club Inauguration. This hallmark event officially designated the school's student leaders for the academic year while simultaneously launching the co-curricular clubs that will spark creativity outside the classroom.

The morning commenced with the solemn Investiture Ceremony, a grand tradition where the newly elected student council took center stage. Donning their crisp uniforms, the Student Beacon, Cultural Ambassadors, Discipline Sentinels, Sports Marshals, Bursar Stewards, House Captains and their respective assistants marched with pride to the podium, reflecting confidence, discipline, and a deep sense of responsibility as they prepared to take on their leadership roles. As sashes were draped and badges pinned by the school leadership, the atmosphere filled with a profound sense of responsibility.

The Student Council then took the oath of office, pledging to lead with integrity, empathy and absolute dedication, serving as true role models for their peers.

Alongside the celebration of leadership, the Club Inauguration injected a wave of vibrant energy into the day. By intertwining leadership with creative pursuit, the event highlighted The Paradise Academy's core mission: nurturing well-rounded individuals. The day concluded with an inspiring address from the Principal, reminding the student body that true leadership is found in service and true growth happens when we pursue our passions.

The First Step Towards Excellence

Our Grade V Flax Paradines conducted their Special Assembly on 23 June 2026 with great enthusiasm and confidence. The assembly began with a melodious welcome song, followed by a warm welcome speech. The thought for the day, quiz, vocabulary segment and news headlines were presented in an engaging and impressive manner. As the day marked International Olympic Day, the students highlighted the significance of the occasion and shared inspiring information about renowned Indian Olympic athletes. Their presentation was informative and motivating. This first special assembly helped our Paradines build confidence, improve their public speaking skills and enhance their self-esteem. The programme was made successful through the tireless efforts, guidance and dedication of the teachers and the enthusiastic participation of the Paradines. The assembly concluded with a splendid group photograph, capturing the memorable moment.

Celebrating Excellence in the English Olympiad

We at The Paradise Academy proudly honoured our English Olympiad Gold and Silver Medal achievers during a Special Assembly held on 25 June 2026. The ceremony celebrated the hard work, dedication and outstanding performance of our young achievers.

Our Principal, Mr. Rajkumar Singnal, congratulated all the winners and appreciated their sincere efforts and remarkable achievements. He encouraged the students to continue striving for excellence and to embrace every opportunity to learn and grow.

Heartiest congratulations to all the winners! Your success is a reflection of your perseverance, dedication and commitment. We wish you many more achievements in the years to come. Keep shining and making us proud!

Exploring Nature with Our Little Learners

Our Kindergarten children had a joyful and memorable Picnic Day at Huskur Park on Thursday, 25th June 2026. Surrounded by the beauty of nature, the little ones enthusiastically participated in creative painting activities and enjoyed making beautiful nature bracelets using colourful flowers and fresh leaves.

The day was filled with laughter, exploration, and fun as the children played freely in the park and appreciated the wonders of nature. They also had a delightful snack party, sharing delicious treats with their friends, which encouraged the values of caring and sharing.

It was a wonderful day of learning beyond the classroom, creating happy memories that our little learners will cherish for a long time.

June 2026

Father's Day Celebration – “Pater Noster”

The Paradise Academy joyfully celebrated Father's Day – “Pater Noster” on 27th June 2026, honouring the unconditional love, care and guidance of fathers. The event was graced by our esteemed Management, Principal, Vice Principal, Coordinators, dedicated teachers, enthusiastic student and our special guests—the wonderful fathers.

The celebration began with a cheerful welcome, followed by vibrant dance performances and delightful musical presentations by our talented students. Fathers and their little ones enthusiastically participated in engaging activities such as Magic Finger and Adaptune, creating moments filled with laughter, love and togetherness.

The event beautifully strengthened the bond between fathers and their children while celebrating the invaluable role fathers play in every child's life. It concluded with a heartfelt Vote of Thanks, leaving everyone with smiles and cherished memories.

Sparks in The Paradise

A Healthy Mind, A Bright Future

The Paradise Academy successfully organised the Drugs Awareness Programme on 30 June 2026. In an impactful and eye-opening session, officers from the Karnataka State Police visited Paradise Academy to conduct a critical drug awareness campaign aimed at safeguarding the future of the students. The visiting officers emphasized that what often begins as curiosity, peer pressure or an escape from academic stress can quickly turn into a devastating lifelong addiction. Students were firmly told to never touch or experiment with narcotic substances, as they destroy physical health, shatter mental well-being and tear families apart. The police also warned against the use of tobacco and related products; identifying them as the initial gateway to harder, illegal drugs.

A major highlight of the session was explaining the severe legal consequences under Indian law. The police made it explicitly clear that entering the world of drugs is a one-way ticket to ruining one's career and personal freedom.

The Karnataka State Police urged the students of Paradise Academy to stay vigilant, support their peers and immediately report any suspicious drug-related activities around the campus.

The core message of the drive was loud and clear: Your life is full of paradise-like possibilities. Do not exchange your bright future and freedom for a moment of thrill. Say a permanent "NO" to drugs!

Sparks in The Paradise

WE PLANT.
WE PROTECT.
WE GROW.

Every leaf tells a story.
Every step creates a change.
Every leader makes a difference.
Our campus grows greener.
Our leaders grow stronger.
THE FUTURE BEGINS WITH US.
