Sparks in The Paradise

Dear Students, Teachers and Parents

The month of July has truly reflected our theme, "From Rainfall to Rise – Growing Together." Just as the gentle rains nurture every seed to bloom, every experience at The Paradise Academy has contributed to the holistic growth of our students.

This month witnessed the successful completion of the Unit Test for students from Kindergarten to Grade X, reminding us that assessments are not merely about marks but about understanding, progress and continuous improvement. I appreciate the sincere efforts of our students, the dedication of our teachers and the unwavering support of our parents in making this academic milestone a success.

Learning extends far beyond the classroom. Throughout the month, our students explored new ideas, broadened their perspectives through enriching educational experiences and developed a deeper appreciation for science, health, creativity and teamwork. They were encouraged to think critically, question responsibly and uphold the values of honesty, fairness, integrity and accountability, which are essential qualities of responsible citizens.

The close partnership between the school and home continues to strengthen every child's educational journey. Together, we create an environment where children feel inspired to learn, discover, innovate and grow with confidence.

As we move forward, let us continue to embrace every opportunity with curiosity, compassion and determination. May every challenge become a stepping stone, every experience a lesson and every achievement an inspiration to reach greater heights.

Together, let us continue to grow, inspire and rise with purpose.

Wishing everyone a joyful, productive and successful month ahead.

Rajkumar Singnal
Principal

Sparks in The Paradise

White coats, Noble Hearts

The Paradise Academy celebrated Doctor's Day on 1 July 2026 with great enthusiasm. The special assembly was presented by the Grade V Salvia Paradines as a heartfelt tribute to the dedication and service of doctors. The programme began with a welcome speech, followed by the thought for the day, news headlines and the significance of Doctor's Day. Adding charm to the celebration, our Kindergarten darlings participated in a delightful ramp walk dressed as young doctors. Our Secretary, Mrs. Lakshmi Devi, felicitated the Chief Guest, Dr. Angel. In her inspiring address, Dr. Angel encouraged students to stay curious about modern technology, explained how artificial intelligence-assisted robots can perform surgeries and emphasized the importance of good health and preventive care. A thought-provoking skit titled "A Doctor's Touch - More Than Medicine" was the highlight of the assembly, conveying the compassion and dedication of medical professionals. A melodious Kannada song dedicated to doctors added warmth to the programme. The rapid-fire round engaged the audience and encouraged students to think beyond textbooks while developing a deeper understanding of healthcare. The assembly concluded on a note of gratitude, paying tribute to the tireless efforts, compassion and selfless service of doctors who work relentlessly to keep our communities healthy and safe.

Sparks in The Paradise

Health and Wellness Check-up Camp

During the first week of July 2026, The Paradise Academy organised a comprehensive health check-up programme for all students in the school auditorium in collaboration with Address Health. A team of experienced and qualified doctors, nurses and healthcare professionals conducted the programme in a systematic and student-friendly manner.

The medical team carried out detailed health examinations, including measurements of height and weight, vision screening, dental check-up, hearing assessment and general physical examination. The doctors also assessed the students' overall health, growth and development, while identifying any early signs of health concerns that might require further medical attention. Individual health records were maintained and observations were shared with the school for appropriate follow-up.

In addition to the examinations, the doctors interacted with the students and educated them about the importance of personal hygiene, balanced nutrition, regular physical exercise, adequate sleep and good posture. They also highlighted the significance of drinking safe water, washing hands regularly, maintaining oral hygiene and developing healthy daily habits to prevent common illnesses.

The programme was conducted smoothly with the support of the school management, teachers and non-teaching staff, who ensured that students participated in an orderly manner. The health check-up proved to be highly beneficial as it created awareness about preventive healthcare and encouraged students to take responsibility for their physical and mental well-being. The initiative reflected the school's commitment to providing a safe, healthy and nurturing environment for every student and promoting holistic development.

Exploring the Cosmos

On 3 July 2026, The Paradise Academy hosted an engaging Mobile Planetarium Show in collaboration with Sky B, bringing the wonders of the cosmos directly to the school campus. Set up inside a dynamic, 360-degree inflatable dome, the portable planetarium offered students an immersive journey through solar systems, star constellations and distant galaxies. Transformed into an interactive space dome, the venue allowed young Paradines to embark on an exciting visual journey through the solar system, distant constellations and mysterious galaxies. The show sparked immense curiosity as students observed dynamic planetary movements and learned about space exploration in an engaging, 3D environment. Beyond providing an unforgettable visual experience, the event ignited a passion for astronomy and scientific inquiry, inspiring young minds to look at the universe with awe and wonder. The experience was taken to the next level as 3D Virtual Reality (VR) technology added immense excitement, allowing students to feel as though they were truly journeying through space. The interactive sessions combined vivid digital projections with expert narration, transforming abstract astronomy concepts into an exhilarating 3D exploration of planets, constellations and distant galaxies. The event sparked immense curiosity among the young Paradines, leaving them mesmerized by space science and inspiring a deeper passion for cosmic exploration.

Sparks in The Paradise

Setting the Academic Pace

The Paradise Academy commenced the First Assessment – Unit Test I for Grades VI to X on 6 July 2026 and for Grades I to V on 13 July 2026. The assessments were conducted to evaluate students' understanding of the concepts taught and to monitor their academic progress. Our Paradines prepared diligently by revising their lessons and clarifying their doubts with the guidance of their teachers. The teachers also conducted thorough revision sessions to help students gain confidence before the examinations. Assessments provide valuable feedback to both students and teachers. They help identify each student's strengths and areas that require additional practice, enabling teachers to plan appropriate support and improvement strategies. Overall, the Unit Test served as an effective measure of the students' knowledge, understanding, and learning outcomes across various subjects.

Sparks *in* *The Paradise* **Little Master Chef**

The Paradise Academy conducted the Inter-House “Little Master Chef – Healthy Plate Making” Competition for Grades III to V on 4 July 2026 and for Grades I to II on 8 July 2026. The event aimed to promote healthy eating habits and create awareness about the importance of a balanced diet. Our Paradines enthusiastically participated in the activity, dressed as adorable little chefs in aprons, chef caps and hand gloves. Each house was assigned a different fireless cooking theme using nutritious ingredients such as fruits, vegetables and sprouts to prepare creative and healthy plates. The students displayed remarkable creativity by presenting their dishes in an attractive and decorative manner while confidently explaining the nutritional value and health benefits of their creations. Their colourful and innovative presentations reflected their understanding of healthy food choices. The competition was both enjoyable and educational, inspiring students to adopt healthy eating habits. The event concluded on a delightful note as the students shared their healthy dishes with one another, making the experience memorable and meaningful for all.

A Splash of Purple

Our Kindergarten celebrated Purple Day on 6 July 2026 with great enthusiasm. The classrooms were beautifully decorated with purple-themed objects and the teachers presented a fun role play on purple objects like grapes, butterflies and mushrooms. The children also enjoyed participating in a group activity and made beautiful purple-themed takeaways to carry home.

During the celebration, our Secretary, Mrs. Lakshmi Devi and the Academic Director, Mrs. Supriya visited the children in the auditorium, interacted with them and appreciated their enthusiastic participation, the creative role play and the colourful Purple Day activities.

The day was filled with fun, creativity and meaningful learning, making it a memorable experience for our little learners.

Sparks *in* *The Paradise* **Salad Day Celebration**

Our Kindergarten students celebrated Salad Day on 10 July 2026 with great enthusiasm. Children from each class brought a variety of fresh fruits and nutritious nuts. With the help of their teachers, the fruits were chopped, mixed and beautifully arranged into creative designs such as butterflies, trees and more.

The celebration was graced by our Secretary Ma'am, Principal Sir and Vice Principal Ma'am, who appreciated the students' participation and encouraged healthy eating habits. The delicious fruit salad was shared with all the Kindergarten students, making the day fun, healthy and memorable.

Sparks in The Paradise **Emoji Day Celebration**

Our Kindergarten students celebrated Emoji Day 17 July 2026 with lots of fun and excitement. The classrooms were beautifully decorated with colourful emojis, creating a cheerful atmosphere. The children enjoyed imitating different emoji expressions and each class prepared a unique emoji-themed takeaway for the children.

The celebration was graced by the presence of our Secretary Ma'am, Managing Director, Principal Sir and Vice Principal Ma'am, making the day even more special.

The celebration was filled with smiles, laughter and happy memories for our little learners.

Sparks in The Paradise Clubs in Action

As part of our Bagless Day initiative, the first Club Activity was conducted on 18 July 2026, the third Saturday of the month. The initiative aims to provide students with opportunities to explore their interests, develop new skills and learn through engaging, hands-on experiences beyond the regular classroom. Students enthusiastically enrolled in two clubs of their choice and actively participated in the activities organised by their respective clubs. The Club In-charges carefully planned and conducted a variety of engaging activities to encourage creativity, teamwork, leadership and collaboration among the students. The Club In-charges also selected the President and Secretary for each club, giving students an opportunity to take up leadership responsibilities and contribute to the successful functioning of their clubs.

The first Club Activity was an exciting and enriching experience, marking the beginning of a year filled with creativity, learning, teamwork and joyful experiences for our Paradines.

Voices for Transparency

A debate was conducted in our school on 23 July 2026 on the topic "Sonam Wangchuk's Hunger Strike and the NEET-UG Paper Leak." The debate focused on the importance of transparency, fairness, and accountability in competitive examinations.

Students discussed how social activist Sonam Wangchuk undertook a hunger strike to express solidarity with students protesting alleged irregularities in the NEET-UG examination. The participants highlighted concerns about the alleged question paper leak, its impact on students' trust, and the need for a fair and secure examination system.

The debate concluded that maintaining honesty, transparency, and integrity in examinations is essential to protect students' future. Students also emphasized that peaceful and democratic methods of expressing concerns play an important role in strengthening the education system.

Sparks in The Paradise

Bridging School and Home

The Grade IX and Grade X Unit Test I Parent-Teacher Meeting (PTM) was held successfully on 25 July 2026 at The Paradise Academy Auditorium. The event was organized with the objective of strengthening communication between parents and teachers and discussing the academic progress of students. A large number of parents attended the meeting and interacted with the teachers in a positive and supportive atmosphere.

All subject teachers were present to provide detailed feedback on the performance of each student in Unit Test I. Teachers explained students' strengths, learning gaps, classroom participation, attendance, discipline, homework completion and overall behaviour. Parents were also informed about the importance of regular study habits, timely submission of assignments and active participation in classroom activities.

Teachers suggested effective study techniques, time management strategies and subject-specific improvement plans to help students perform better in future examinations. The interactive discussions helped build mutual trust and encouraged greater cooperation between the school and families.

The Academic Director, Principal and Vice Principal encouraged parents to motivate their children to develop good study habits, maintain regular attendance and actively participate in co-curricular activities for their overall development.

The Parent-Teacher Meeting proved to be a meaningful and productive initiative that strengthened the partnership between the school and parents, ensuring the holistic academic, social and emotional development of every student at The Paradise Academy.

Remembering the Heroes of Kargil

The Grade V Tulip Special Assembly was conducted on 27 July 2026 with great enthusiasm and patriotic spirit. The theme of the assembly was Kargil Diwas. The programme began with a melodious welcome song, followed by the Thought for the Day, News and Amazing Facts. The New Vocabulary segment enriched the students' knowledge. The significance of Kargil Diwas was highlighted, instilling a deep sense of patriotism and respect for the brave soldiers who sacrificed their lives for the nation. A skit highlighting the importance of science and technology in various fields and a role play depicting the Kargil War were the major highlights of the assembly. A beautiful Kannada song was also presented attractively, adding charm to the programme. The assembly was an inspiring and memorable experience that filled everyone with pride, patriotism and gratitude towards the brave soldiers of our nation.

From Farm to Fun: A Day of Discovery

We at The Paradise Academy organised an educational trip to an organic farm on 28 July 2026 for the students of Grades I and II. Our Paradines enthusiastically participated in the trip and enjoyed a day filled with learning, exploration and fun. The animal interaction was an exciting experience, allowing the students to observe and interact with the animals. Exploring the trees and plants helped them connect with nature through experiential learning. Fun-filled activities kept everyone engaged and brought joy to the day. Team-building games encouraged the students to participate confidently while learning the importance of collaboration and teamwork. The educational trip aimed to enhance students' knowledge through hands-on, experiential learning while creating joyful and memorable experiences with their classmates.

Sparks in The Paradise

Learning Through Exploration

"Education is not confined to the classroom; every journey is an opportunity to learn." In this spirit, The Paradise Academy organised an educational trip for the students of Grades III to VIII on 30 July 2026 to Payana - The Vintage Car Museum and the Floating Temple in Mysuru. Our Paradines were thrilled and enthusiastic to explore these fascinating destinations. First, we visited Payana - The Vintage Car Museum, where our students explored the evolution of automobiles, appreciated technological advancements and developed curiosity and observational skills through experiential learning. The students then visited the Floating Temple, where they explored the region's cultural heritage, traditional architecture and historical significance through first-hand experience and observation. The trip provided our students with a wonderful opportunity to learn beyond the classroom while creating joyful and memorable experiences with their classmates.

Sparks in The Paradise **Rising to the Challenge**

The students of The Paradise Academy enthusiastically participated in various inter-school competitions showcasing their talents in sports and co-curricular activities. The school took part in the ICSE Zonal Kho-Kho Competition held at Carmel Convent School on 29 and 30 June 2026, where the students displayed excellent teamwork, discipline and sportsmanship. All participants received certificates of participation in recognition of their efforts.

The school also participated in an Inter-School Football Tournament organised at Christ Academy, Kengeri, Bengaluru on 23 July 2026. The players demonstrated determination, coordination and a strong competitive spirit throughout the tournament, gaining valuable experience and confidence.

In addition, students represented the school in the Inter-School Chess Competition held on 26 July 2026 at Carmel Convent School, Banashankari. The young chess players exhibited strategic thinking, patience and concentration while competing with participants from various schools.

National Level Karate Championship Achievement

Congratulations to Chinmay M Gowda (Age 13) for securing First Place in Kata at the National Level Karate & Kung-Fu Open Championship 2026. The championship was held on 26 July 2026 at NMR Convention Center, Attibele, Bengaluru. This outstanding achievement reflects his dedication, discipline, hard work, and excellent martial arts skills. We wish him continued success and many more victories in the future.

These competitions provided students with excellent opportunities to develop their talents, build confidence, foster teamwork and promote healthy competition. The Paradise Academy remains committed to encouraging students to participate in a wide range of academic, cultural and sporting events to ensure their holistic growth and overall development.

Sparks in The Paradise

Dance with a Purpose

Our students proudly represented The Paradise Academy at Groove Fest 2026, an Inter School Dance Competition hosted by ACTS School, Electronic City on 31 July 2026. Through a powerful dance performance highlighting the importance of protecting children and raising awareness against abuse and violence, they conveyed a meaningful social message with confidence and conviction. Their participation reflected not only artistic excellence but also empathy, courage and a strong sense of social responsibility. By delivering a thought-provoking performance and proudly representing the school, our students truly made The Paradise Academy proud.
